

## Austrian profiles

### Timna Bošič

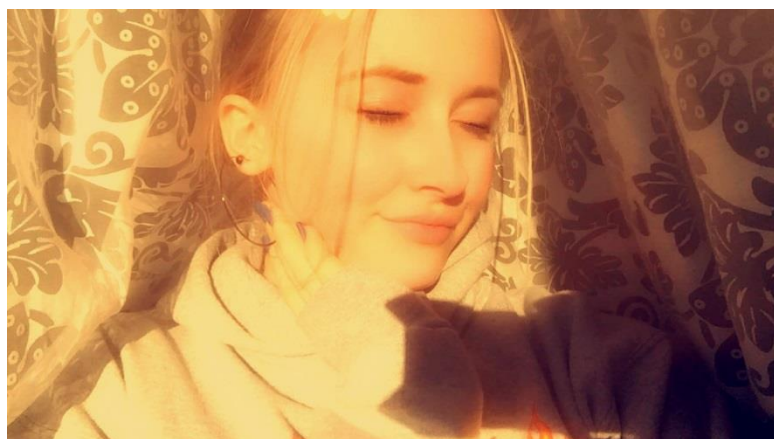

My name is Timna Bošič and I'm 17 years old. In my free time I love to do sports. I haven't got a favorite one but I love to go mountain biking, tour skiing, skateboarding, inline skating and other things. Another passion of mine is music. On

the weekends I love to go to jazz or rock concerts. Punk, Rock, Indi-rock and Rap are my favorite music genres, but I'm open to everything. When I'm on holidays or an extended weekend, I travel a lot. I'm a very spontaneous person so I never know what adventure I'm going to have next. Like every other student I also have my "Netflix-phase". It always depends on my mood, but most of the time I watch action movies or thrillers. I also enjoy comedy movies with a pack of cookies of course. After I finish school, I don't know what to do yet, because my interests are changing a lot. But I will follow my dreams. At the moment I'm looking forward to the exchange and hoping for a good time.

### Katharina Bogner

My name is Katharina Bogner and I'm 15 years old. I live in Austria. My biggest hobby is playing volleyball. In my spare time I do a lot with friends and go horse riding. I love to travel that's also a big reason

why I'm part of this project. Fitness, music, friends, family and fun are things I probably couldn't live without. Yeah I think that's it about me.

## Ronald Taferner

My name is Ronald Taferner and I'm 17 years old. I'm currently living in Austria, but this definitely will change over the time because I think we live to travel. Wanderlust always hits me. I also like to get to know new people.

Some of my hobbies are photographing, video editing and programming. Partying sometimes is nice too. In my free time I like to meet friends, going skiing in winter and swimming in summer. For my favourite movie i choose „Interstellar“ by Christopher Nolan. It's maybe because I'm fascinated about space. I also like less futuristic movies though. I'm not really the type that watches

action movies but sometimes I'm very up for comedies.

I love to fly and therefore one of my goals is to be a pilot after school and most likely university. My favourite dishes are Schnitzel (an Austrian speciality), Burgers, Pizza and Spaghetti. I don't like spinach and spicy or Chinese food, especially sweet/sour, (except for spring rolls) but I'm always open to try new meals. Can't wait to meet you guys in Poland!

I have two cats called Luna and Bella and one little dog called Ranger. They are all really special but also very cute. My favourite food is grilled chicken and my least favourite food is beef. In my future I want to work as a surgeon in Graz so I have to study really hard for it, but there is one problem, I am a little bit lazy.

## Karolina Pečenko

My name is Karolina Pečenko and I'm 17 years old. I'm Austrian, but my parents are from Slovenia. I have been training skiing for about 13 years now. In between I took a break for four years to sail professionally. Back then, we were in Poland for one week in the region of Kamien Pomorski and Miedzywodzie I think. I also played guitar for 9 years, but I stopped last year. I love listening to music and watching series or movies. At the weekends I sometimes go out to a club with my friends or we're having a house party. Something I used to love too is food, but at the time it's lent, so I try to refrain from sweets and meat. I'm a skiing instructor and doing the education to be a trainer. In the future I would like to study medicine or be a ÖSV trainer.
